WORLD OF WARCRAFT: FOREVER (CLASSIC+)

Foreverbot Companion & Command Reference Guide - Launching Nov 4, 2026

World of Warcraft: Forever is Blizzard's official Classic+ experience, launching globally on November 4, 2026. Featuring a permanent Level 60 cap, an alternate timeline where the Dark Portal never reopened, 9 new dungeons, new zones (Mount Hyjal, Zephras Isle, Riverglades), Skyborne Elves, and horizontal progression. Foreverbot gives you real-time Discord lookups directly on your second screen or phone while playing.

1. ITEM & GEAR LOOKUPS

`/item` *name: <item name>*

Displays full tooltip stats, slot, type, required level, item level, equip effects, and drop/vendor source. Color-coded by quality.

Example: /item name: Ironfoe

`/item` *name: <Skyborne gear>* **[WOW: FOREVER CLASSIC+]**

Look up new horizontal level 60 tier sets, new weapons, and resistance items added in WoW: Forever.

Example: /item name: Skyborne

2. QUESTS & LEVELING

`/quest` *title: <quest name>*

Shows quest level, required level, faction, starter NPC, map coordinates, objectives, and item/XP rewards.

Example: /quest title: Mankrik's Wife

`/quest` *title: <Forever quest>* **[WOW: FOREVER CLASSIC+]**

Look up new Classic+ quest chains for Skyborne Elves, Mount Hyjal, and Riverglades.

Example: /quest title: Roots Beneath Nordrassil

3. MOBS, BOSSES & LOOT TABLES

`/mob` *name: <boss or mob>*

Displays creature level, classification (Elite/Boss), zone, subzone location, total health, and top loot drops with percentages.

Example: /mob name: Emperor Dagran Thaurissan

`/mob` *name: <Forever boss>* **[WOW: FOREVER CLASSIC+]**

Check stats and drop tables for new dungeon and raid bosses in Mount Hyjal and Zephras Citadel.

Example: /mob name: Archdruid Valeth

4. VENDORS & REAGENTS

`/vendor` *item_name: <item>*

Finds which NPCs sell a specific item, coordinates, and price formatted in gold (g), silver (s), and copper (c).

Example: /vendor item_name: Bronze Tube

5. FLIGHT PATHS & FAST TRAVEL

`/flightpath` *query: <zone or hub>*

Lists flight masters by zone or node name, their faction (Alliance/Horde/Neutral), coordinates, and all connected routes.

Example: `/flightpath query: Booty Bay`

`/flightpath` *query: <Forever zone>* **[WOW: FOREVER CLASSIC+]**

Look up flight connections for new zones like Zephras Aerie, Mount Hyjal Ridge, and Riverglades Sanctuary.

Example: `/flightpath query: Zephras`

6. NATURAL LANGUAGE ASSISTANT (/ask)

`/ask` *question: <plain English>* **[WOW: FOREVER CLASSIC+]**

Ask questions in natural language. The bot searches all database tables (quests, items, mobs, vendors, flight paths) to synthesize a direct answer.

Example: `/ask question: Where do I turn in Mankrik's quest?`

`/ask` *question: <price check>* **[WOW: FOREVER CLASSIC+]**

Query items or vendors without typing exact syntax.

Example: `/ask question: Who sells bronze tubes and for how much?`

7. MAPS, ZONES & DUNGEONS (/map, /dungeons, /zones)

`/map` *[zone: <zone name or city>]* **[WOW: FOREVER CLASSIC+]**

Consolidated zone map card with coordinates, key towns, flight masters, dungeon entrances, and connecting borders.

Example: `/map zone: Westfall`

`/dungeons` *[query: <level or name>]* **[WOW: FOREVER CLASSIC+]**

Finds strictly eligible dungeons for any level (e.g. 42) or name (e.g. ZF) with entrance coords & key drops. Condensed single card.

Example: `/dungeons query: 42`

`/zones` *(No parameters)* **[WOW: FOREVER CLASSIC+]**

Lists all new & expanded zones in WoW: Forever (Mount Hyjal, Zephras Isle, Riverglades, Gilneas).

Example: `/zones`

8. GAME OVERVIEW CARD

`/forever` *(No parameters)* **[WOW: FOREVER CLASSIC+]**

Displays official WoW: Forever launch info, Nov 4 release details, level 60 cap philosophy, new zones, and dungeons.

Example: `/forever`
